

Shenley Archers Dartboard Challenge – February Placings

This month's three highest scores are listed below, so well done to **Cliff Amos**, who managed the magnificent score of **121**. He wins £18.00, which is half the takings. The other half goes into the club coffers and will pay for new equipment. As usual this money helps with the cost of replacement club equipment and consumables.

Thanks to all who took part this month. We hope you had a little extra fun whilst helping to boost the club funds.

The scores will now be cleared for the start of the new month. The new competition will start on Sunday 13th March, as we are running next Sunday under proper competition rules. So no space for the dartboard.

Don't forget, you can have as many goes as you wish. (Unless of course you are a 'darksider'. In which case you need to bring in your proper bow.)
